

HONOUR

Specially Designed to Honour Senior Citizens and People with Physical Limitations

Honour collection is all about care and respect for our seniors. Meal times for them should continue to be a pleasure, even though increasing age brings physical limitations that can cause difficulties when eating. Honour is the result of lengthy research that examined mobility issues in fine detail thereby providing solutions. Features includes a curve that helps easy scooping of food, an anti-spill design, a bowl rim that supports lifting, and ease of storage.

The Honour collection is one of PATRA's pride, and it is our wish that our seniors take pride in their independence and pleasure during meal times.
