

FOLIAGE

An exquisite fusion of rugged beauty and refined design. Inspired by the untamed allure of wild flowers and weeds, each piece captures the essence of nature's raw elegance. With a captivating play of blue-green backgrounds, the collection showcases a dynamic interplay of positive and negative space across different dinnerware items. Embrace the harmonious contrast between rustic charm and modern sophistication as you curate your tabletop ensemble with the "Foliage" collection. Let every meal be an adventure in style and creativity, where the beauty of the wilderness meets the artistry of fine dining.
