

Enchanted

Fine Bone China
Collection

Like vines weaving through time, the Enchanted Collection brings artistry and elegance to the table.

Inspired by the flowing curves of grapevines, each piece is a canvas where movement and grace intertwine. The design comes to life with hand-applied real gold and metallic gold accents, creating a luminous contrast against the deep, fluid strokes of indigo watercolor. Crafted from premium bone china.

Enchanted is more than tableware—
it's an invitation to indulge in refined luxury with every dining experience.
