HONOUR

Giving back to seniors

Assistive Design. Functionable.

WHY HONOUR

All of us would like to honour our elders, and we all wish to do everything we can to improve and enhance their living quality, ensuring they have the tools and the comforts to live with grace and dignity during their golden years. Old does not always equate to incapability, and we must always gently encourage a sense of pride and self-reliance in our seniors with facilities, technologies and innovations. This is the inspiration behind PATRA's Project Honour.

"Dining is one basic everyday activity that everyone should be able to do for themselves."

Nonetheless, at old age, the body and mind deteriorate. Age-related illnesses can decrease the appetite, as can lack of activity, and simple movements become a hurdle. Eating progressively becomes an ordeal, with difficulties in holding utensils steady and keeping food within a container. Specially designed tableware for elders helps them at meal times and assists in the basic daily necessity of eating.

In the spirit of our tagline: We make good life possible.

RESEARCH & DEVELOPMENT

PATRA spent several years into the research and development of this collection.

Working alongside top universities in Thailand and stakeholders from hospitals, to nursing homes, to care givers so as to ensure the final product would have all its intended needs and wants. We first identified the sources of their physical limitations, whether visual impairment, dementia, Alzheimer's, Parkinson's, general muscle weakness, and any other deterioration that contributes to loss of appetite. These conditions gravely affect the senior's mental state. Self-confidence and pride is lost, knowing that they have to rely on others to go about their daily business. Honour tableware is carefully designed to benefit the elderly and the unwell, and at the same time also assist the nutritionists, nurses and family members who take care of them.

DESIGNED FOR INSTITUTIONAL AND HOME USE

Ideal for hospital as well as home use, Honour plates are stackable and fit perfectly into a trolley to minimise storage space. Each container holds an appropriate portion size for the elders, with a spill-proof feature and is easy to clean. All items can be used in a microwave oven.

PRODUCT FEATURES

SCOOPING CURVE

Each of the three bowls are raised in the middle, which allows the food to fall to the side of the bowl. The side is perfectly curved for easy, almost effortless scooping even with one hand.

ANTI- SPILL RIM

The rim of the bowl complements the scooping curve. It is raised with a narrow ridge to prevent spilling when scooping the food up with a spoon.

HOLDING RIM

The rim is easy to grip with the palm of the hand and a thumb securely locks at the ridge. This also lengthen the overall weight to carry up.

STACKING LOCK

The side is fitted with a ridge that fits perfectly with the mouth of the bowl, allowing for secure, neat stacking.

ANTI – SPILLING COVER

Designed to prevent spilling while being transported with a ridge that fits perfectly with the curve on the rim.

FOOT LOCKED

All covers are designed to have foot lock that allow for easy and secure stacking on the tray.

TRAY SYSTEM

All 12 items are designed specifically for tray system with the perfect height for the tray slot and ideal portion size for hospital use.

ERGONOMIC – DESIGNED LID HANDLE

Plate cover and bowl lift is fitted with two-sided handle to reduce the use of muscle. It takes less force to hold and lift the bowl up with both hands.

MULTI - PURPOSE FUNCTION LID

Bowl cover can be used as a lid, or an extra plate for fruits or desserts, or as a coaster for a bowl.

ERGONOMIC MUG

The ergonomic handle can be used with one or both hands. Suitable for both right or left handed.

Type 1: Secure the mug with four fingers through the handle and the thumb placed on the flat top of the handle, which requires less use of muscle.

Type 2: Grab the handle with one hand. The handle does not require a bend of the wrist, hence reducing the muscle contraction.

HONOUR COLLECTION

HONOUR ITEM RANGE

PLATE + COVER

Designed to use as a main dish. Come in 2 different size with its cover. While the covers can be used as a bowl.

- 1780026 Plate 23.5 cm with Cover

Item code 1780023 Plate 23.5 cm.

Item code 1782825 Plate cover 25.3 cm.

- 1780022 Plate 20 cm with Cover

Item code 1780020 Plate 20 cm.

Item code 1782821 Plate cover 21.7 cm.

BOWL + LID

Designed to use as a main or side dish. Come in 3 different size with its lid.

- 1783022 Bowl 20 cm with Lid (500 cc)

Item code 1783020 Soup bowl 20 cm. 500 cc.

Item code 1782221 Soup bowl 20 cm. lid

- 1783018 Bowl 16.5 cm with Lid (350 cc)

Item code 1783016 Bowl 16.5 cm. 350 cc.

Item code 1782217 Bowl 16.5 cm. lid

- 1783015 Bowl 13 cm with Lid (270 cc)

Item code 1783013 Bowl 13 cm. 270 cc.

Item code 1782214 Bowl 13 cm. lid

MUG + LID

Ergonomic design and able to use with both hands.

- 1782412 Mug with Lid (300 cc)

Item code 1782410 Mug 300 cc.

Item code 1782011 Mug lid / saucer 11 cm.
