FINE DINING
DUO SPHERE MONDO ALTO

DUO COLLECTION

Resonance of a double curve, highlighted by matt & gloss textures.

Contrast, created by the play of large & small curves & volumes.

Voluptuous, like a "Boterp" sculpture. Intemporal,
charming & whimsical; DUO, is the most sculptural of forms.

MONDO COLLECTION

The light & shadows of nature at play; engaging aesthetics with timeless serenity.

Mondo is the contrast of the flatness of form versus the light & shadow created by the radiant lines.

The optics of the shadow play is the minimalist's form of decoration in porcelain.

The sparseness of the embossing working the harmony with the simplicity of the shape creates
an intellectual & esthetic elegance
