HOTEL & RESTAURANT

Updated January 2026

We make good life possible

We make good life possible

We make good life possible

is one of our key motto at PATRA Porcelain.

We strongly believe that good life starts at the dining table, so as a leading tableware manufacturer, we are well aware that everything on the table plays a vital role not just the food itself, but also the art of table setting and of course the tableware.

Let Patra fill your needs...

Only to experience the difference.

We envisage to provide only the best to our customers.....

The superb whiteness, remarkable durability and silky smooth glaze surface are dramatically incorporated in the quality control system of Patra's steadfast policy to deliver perfection to our customers.
